

## Why be Fat?

Have you heard about the very best system for weight reduction? It is so easy to follow, so different from the objectionable ways—and perfectly safe. You may eat and drink all you need. There is no tedious exercising. Use a little oil of korein at convenient times; also follow the simple, clear directions. A loss of weight, ten to sixty pounds (whatever you need to lose), may be expected by this safe and pleasant system of fat reduction. At the druggist's get a small box of oil of korein, and start at once. Be of normal size, with good figure and attractive appearance, agile, quick-witted, healthier and more efficient. By reducing weight now you are likely to avoid one or more diseases, heart weakness, sunstroke, dizziness, etc., and to add many years to your life. Remember—oil of korein. Become slender and stay so. Brochure mailed FREE. Kerein Co., Station F, New York, N. Y.

## ANDOVER

A dance Saturday night at the Andover town hall was well attended. Music was by a Williamstic orchestra. Professor Debo was promoter. The body of Annabel Post, who died in Bolton, was brought here for burial Friday afternoon. She was a former resident of this town, born here, the daughter of Arthur and Chloé Post, who died several years ago. She will be missed by many friends. J. C. Backus was surprised by several of his friends one night last week, it being his birthday. There is plenty of snow on the ground and sleighing was never better. The young people are enjoying the courting. The C. E. society was invited Sunday night to visit North Coventry church. Thirty-one people went, two sled loads. The thermometer Monday morning indicated 12 degrees below zero.

## HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must keep your body free from poisonous wastes. Dr. Edwards' Olive Tablets (a vegetable compound mixed with olive oil) act on the liver and bowels like calomel—but have no dangerous after effect. Take one nightly and note results. They start the bile and overcome constipation. That's why millions of boxes are sold annually. 10c and 25c.

# January Economy Sale

## ALL THIS WEEK

This big sale, with its countless opportunities for saving money will continue all this week. In our first big advertisement we listed a very large number of special bargain items. This long list has been added to, and although some of the Economy bargains have been completely disposed of there are still almost as many chances to save as there were at first.

## DANIELSON AND PUTNAM NEWS

### DANIELSON

Following are the newly elected officials of the Danielson Building and Loan Association: President, Alfred L. Reed; vice presidents, F. E. Cunneen, A. W. Williams, Harry Brierly, Oshadiah Butler, treasurer, Ernest R. Warren; secretary, Clifford H. Stark; weather, assistant secretary, C. N. Turner; board of management, Dr. George M. Burroughs, George H. Call, Clarence A. Potter, N. Lorne Greig, Harry E. Back, E. B. Darbie, Burdette C. Hopkins, John A. Gilbert, Louis Young, D. E. Jett, Frank T. Preston, S. R. Kitchin, J. P. Gardner, Jr., A. M. Thompson, A. W. Bassett; auditors, Andrew E. Meach, W. J. Craig, R. H. Gray; attorney, Henry E. Back. The annual meeting made some changes and amendments to the by-laws including one that permits the paid up shares to remain invested and to draw interest at the rate of five per cent. per annum. Another amendment permits subscribers to pay up once the full value of their shares, instead of paying at the rate of one dollar per month per share, and then to draw interest at the usual rate. It was also voted to reduce the admission fee from 50 cents to 25 cents per share.

During the last six months of 1919 the number of shares withdrawn was 14. "Daddy Longlegs"—a picture that will delight you and let you enjoy with Mary Pickford, the nation's favorite, a wonderful entertainment at Orpheum theatre January 25-27—adv.

The funeral of Elsie Rose Kimber, 19, one of the victims of the awful tragedy enacted at Brooklyn last Saturday, was held from the undertaking rooms of L. E. Kennedy, Wednesday afternoon with services at the Westfield Congregational church at 1:30, the pastor, Rev. W. B. Williams conducting the service. The bearers were Joseph Steison, John Stalzer, Henry Evans and George Ide, all of Brooklyn. The body was placed in the receiving vault at Westfield cemetery. Since even in death, relatives of Miss Kimber could not bear the thought of her body lying in the tomb at Brooklyn until spring beside the body of the friend that killed her.

From his home in Wauregan, the funeral of Thomas Hughes, who died suddenly Sunday, was held Wednesday morning with a high mass of requiem, of which Rev. J. C. Mathieu was celebrant, at the Sacred Heart church in Wauregan. The service was attended by many relatives and friends of Mr. Hughes. Burial was in Grove Street cemetery at Putnam.

### PUTNAM

Brodeur, Louis E. Kennedy was the funeral director. In Wauregan Wednesday morning, the funeral of Antoine Despathy was held from his home, the funeral director, which Rev. John Roux, M. S. of Danielson, was celebrant, being at the Sacred Heart church, where relatives and friends gathered. The bearers were Emory Despathy, Delphis Despathy, Zewel Despathy, Stanislas Gileau, Telephone Chicone, Amadeo Chicone. Burial was in the Sacred Heart cemetery. Martin T. Burns was the funeral director.

Mr. Despathy, who died suddenly at his home Monday had been a resident of Wauregan for 35 years. He leaves his wife, three sons and a daughter.

Mrs. Susan Kenyon Baker, 84, widow of Frank Baker, died at the home of Harry Arnold in Goodwin Tuesday. Mrs. Kenyon had lived in this vicinity for many years. Willis Kenyon of Brooklyn and Ralph Kenyon of Putnam, formerly of Brooklyn, are sons of Mrs. Baker. The body was brought from Goodwin to the undertaking rooms of L. E. Kennedy on Furnace street.

Coroner Arthur G. Bill said Wednesday afternoon that he has not yet begun his inquest relative to the deaths caused by Victor Lippone, a murderer in Brooklyn, Saturday last, and may not before Saturday of this week. Mr. Bill said Wednesday that he has learned nothing new to shed any light on Lippone's mad acts, nor nothing new pertaining to his history.

As noted in the Putnam news this morning, Mrs. Charles Ray, one of Lippone's victims, remained unconscious up to Wednesday afternoon. Although her condition was regarded at the hospital as slightly improved and every day that she clings to life adds to her chances of recovery.

Mrs. Lippone, wife of the murderer, is at the hospital, also. Her condition is not regarded as at all alarming, and it now seems to be indicated that she will not suffer any serious consequences from the brutal attack her husband made upon her nor from the exposure she suffered when she left her bed, and, scantily clad, made her way to the Stainer home, a half mile from her town.

A drove of 15 work-horses being taken through the business section late Wednesday afternoon, attracted attention. The horses were en route from Plainfield, where they have been in use by the Wells Construction company, on state road, work between that place and Canterbury, to Dayville, where they are to be kept at the Kennedy house stables. Other horses are to be brought by the company from Plainfield to Dayville, so that there will be 20 of them there. The company has ceased operations for the time on account of weather conditions.

Henri J. Baer of Rosedale, E. I. was in Danielson Wednesday and told his plans to increase the size of his kennels at East Killingly, where he

has been breeding and training police dogs for several years. The expansion of the kennels is to be made so as to permit breeding thoroughbred Alredales in conjunction with the breeding of police dogs, which have been raised in large numbers at East Killingly and distributed to many parts of the United States and even to foreign countries.

Getting about in the outlying districts of Killingly and other surrounding towns is anything but a pastime these days. Rural carriers tell of the heavy drifts that are to be encountered on some parts of the routes, some of these drifts being much higher than a man.

Dr. and Mrs. George M. Burroughs have been spending a few days in Boston.

Ice cream and cake was served the members of the Bohemian club following the regular weekly tournament play, which, in all of the contests, is interesting to the members.

Members of the Killingly Wauregan club listened to a splendid lecture by President Benjamin T. Apple, shall of Connecticut college at their regular meeting in the assembly hall of high school, Wednesday afternoon.

Dr. and Mrs. W. H. Knowles and Mr. and Mrs. F. E. Cunneen are visiting in New York and are expected to return Friday.

Drivers on the motor bus line between Danielson and Putnam complain with great vehemence concerning the motor, which the great motor trucks that run over that route "hog" the road and, at times, make it dangerous for any vehicle to pass them. All sorts of complaints are considered, there is an impression gained that unless the truck drivers are more considerate of the rights of other travelers, there will be a serious accident to record in the not distant future. Some of these drivers will pay no more attention to a touring car than they would to a flea.

### CHESTERFIELD

Many people have been enjoying sleighing for the past few days. Mrs. M. J. Powers was a recent caller on Florence Powers.

J. E. Powers killed A. Miller's ice-house Tuesday.

Miss Ruth Tinker, teacher on Grassy Hill, spent the week end with Mr. and Mrs. C. B. Tinker.

John R. Kaplan is visiting his daughter, a student at New York University; also Mrs. Maurice Solomon of Norwich.

William Tinker was a caller in Lyme Sunday.

Mr. and Mrs. Walter Lee of Waterford were callers here Sunday.

### BORN

BRIGGS—In Ashaway, R. I. Jan. 19, 1920, a daughter to Mr. and Mrs. E. and Mrs. Ralph Briggs.

**TOMORROW'S THE BIG DAY**

Take "Cascarets" Tonight for Liver and Bowels and Wake Up Clear, Rosy, Fit!—No Shake Up!

Feel grand tomorrow! Be efficient! Don't stay sick, bilious, headache, constipated. Remove the liver and bowel poison which is keeping your head dizzy, your tongue coated, your breath bad and your stomach sour. Why not get a small box of Cascarets and enjoy the most, gentlest, laxative-cathartic you ever experienced? Cascarets never gripe, sicken or inconvenience one like Salts, Oil, Calomel or harsh Pills. Cascarets cost so little. They work while you sleep.

### PUTNAM

At the meeting of the officers and members of the executive committee of Quinebaug Pomona grange, held here Wednesday, various meetings and work were planned for the year and the lecturer's programme was blocked out.

While the list of meetings as given here is not as they may be finally arranged, it is expected that few changes in the programme will be necessary. The first meeting, with Putnam grange, The April meeting, at which degrees will be conferred, is to be held with Wolf Den grange of Abington, and the May meeting with Echo grange, at Mansfield Center.

No date was fixed for the annual field meeting and will not be until the officials of the state grange of the Pomona granges meet and discuss plans for the field meeting. The October meeting will be held at Hampton, with Little River Grange.

It is expected that the December meeting will be held with Brooklyn grange, but this is not definitely decided. The plan awaiting the approval of that subordinate grange.

Those who were here for Wednesday's meeting were Franklin Benette, Pomona master, and Mrs. Benette of Ashford. Overseer Charles Whitling of Thompson. Lecturer George Hamilton of Woodstock. Frank Haines of Pomfret, Mrs. Susie R. Williams of Brooklyn, Mrs. Hannah Bates, Mrs. Mary Ross Munyan and Randolph H. Chandler, of Thompson. The party had dinner at the Putnam Inn.

Street Superintendent Frederick Dumas has a force of men and teams at work removing snow from streets in the business section of the city.

Supt. William L. MacDonald of Putnam school will be in Hartford Friday on a business trip.

The intensity of the cold has prevented anything from being done to clear up the ruins of the Chickering hotel, which is sheathed in ice.

R. H. Bradley returned here ill from a business trip to New York and was taken from the station to his home in an automobile.

Charles Wheaton, who died at his home in Phoenixville, Monday, was a member of Putnam lodge of Masons of Woodstock.

A sleet storm that came during the night added a slippery coating to Putnam's streets and sidewalks and made walking very difficult and hazardous for those who were out early Wednesday morning.

Mr. and Mrs. Elly Hall, who have closed their home in Woodstock, are visiting their son, Clarence, in Bridgeport. They will return to Woodstock in the spring.

Though such signs have been ordered removed, in compliance with the terms of the Volstead act, a few beer and liquor emblems may be seen about the city.

Nearest relatives or the next of kin of Putnam Young men who lost their lives in the war are to be presented February 23, engraved certificates the tribute of the French government. The presentations are to be made through posts of the American legion.

Edward W. Mullan was elected a director of the First National bank of this city, to succeed the late J. W. Cutler.

On a lot in Eastford, 500,000 feet of lumber and timbers were cut for the Child Lumber company of this city.

L. H. Healey was elected president of the East Woodstock Mill local, one of a number organized in different sections of Windham county.

A meeting of the Woman's board of the Day Kimball hospital was held at the rooms of the Chamber of Commerce on Wednesday afternoon.

With the subscriptions for shares of the Putnam Building and Loan association steadily mounting toward the 1,000 mark, it was stated Wednesday that plans were being made to erect a larger number of persons in the investment—that Putnam may be helped to grow.

E. C. Rogers has been engaged this week in harvesting ice at his farm place, west of the city.

Officers of Quinebaug grange of Thompson were installed on Tuesday evening.

Dr. and Mrs. Joseph Clark Hopkin, who are at the Ben Grosvener in Pomfret, are to leave soon for a trip to South America, where they expect to remain for several months.

At the Day Kimball hospital Wednesday afternoon, it was said that Mrs. Charles Ray of Brooklyn continued to improve, though very slowly and her condition is still regarded as dangerous. Mrs. Ray has remained unconscious since the time when she was struck down with an axe by Victor Lippone at her home in Brooklyn just before the noon hour on Saturday last. At times she shows signs of returning consciousness, but none had not come out of the state into which she was beaten in her terrible experience.

The wife of her head was crushed in by the blows she sustained and it was necessary at the hospital to cut off all of her hair, which was matted into one mass with blood, in order to operate and properly treat the wounds.

Should Mrs. Ray recover there is doubt, it is said by physicians, as to what her mental condition will be, but only the best is hoped for.

The funeral of Miss Elsie Rose Kimber, Mrs. Ray's daughter by her first marriage, was held at Danielson on Wednesday afternoon.

Ellen Welch, daughter of Mr. and Mrs. Burton M. Welch, was taken to Hartford hospital Saturday for treatment. Owing to the stormy day a small congregation numbering 21 attended the church service Sunday. The Thursday evening meeting will be held at the parsonage this week. Mr. Hennerway, who has been ill, is recovering. Farmers have filled their icehouses with a fine quality of ice as thick as their like.

Don't think because the mule takes to his heels that he is a coward.

**Persistent Coughs**  
are dangerous. Get prompt relief from **PISO'S**. Stops irritation, soothes, effective and safe for young and old. No opiate in **PISO'S**.

**What would you do with it?**

A conservative man doesn't carry a lighted bomb around with him, searching for water to put out the fuse. He gets rid of it as quickly and gently as possible, then goes away from there.

Not all of us know that we are packing around with us every day a perpetual source of trouble that may produce disease or even death. Ninety per cent. of human illness is caused or aggravated by a clogging of waste in your bowels.

By an entirely new principle Nujol will keep the poisonous waste moving out of the body. Every other form of treatment either irritates or forces the system. Nujol works on the waste matter instead of on the system.

Nujol prevents constipation by keeping the food waste soft; thus helping Nature establish easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world. It is absolutely harmless and pleasant to take—try it.

Nujol is sold by all druggists and is made in New York, for booklet, "Tidy Feet of Danger."

A New Method of Treating an Old Complaint.
